COORDINATING MOLDINGS AVAILABLE

Square Flush Stairnose

All coordinating moldings come approximately 7'10" long. Custom Special Order Stair Molding Available.

Reducer   End Cap   T-Moulding

Coordinating moldings are produced to be similar and blend as much as possible to the flooring product. Since grain patterns and the natural colors of the wood / stone patterns vary, coordinating moldings cannot be an exact match to the flooring product. Coordinating moldings do not come with warranty.
